5.0 Competitive Procurement Thresholds

The purchasing process which must be used is determined by the total value of goods and services to be purchased. In the case of a multi-year lease or contract, the total payments over the life of the lease or contract including extensions shall be used to determine the total value.

It is not acceptable to break a single purchase into multiple purchases in order to reduce the estimated dollar value of the purchase and to avoid the dollar limits indicated below.

For Goods and Non-Consulting Services		
Total Purchase Amount	Purchasing Process to be Used	

Purchases amounting to not more than \$100 may 27Tm0 Go

Less than \$100

\$100,000 and more

Purchases of \$100,000 or more will be made by Tender/RFP/RFQ issued by the department responsible. Supporting documentation will be held on file by the department.

9.0 Tender Opening

Each tender shall be opened by the department manager in the presence of two (2) Board representatives. In most cases, the representatives will be Board Administrators.

Business, but must be outlined in the tender document.

10.0 Release of Tender Information

In all cases, information on a successful tender shall only be made available upon request from a supplier who had submitted a written, competitive bid for the item(s) in question.

Ontario Broader Public Sector (BPS) Supply Chain Code of Ethics

Goal: To ensure an ethical, professional and accountable BPS supply chain.

1. Personal Integrity and Professionalism

Individuals involved with Supply Chain activities must act, and be seen to act, with integrity and professionalism. Honesty, care and due diligence must be integral to all Supply Chain Activities within and between BPS organizations, suppliers and other stakeholders. Respect must be demonstrated for each other and for the environment. Confidential information must be safeguarded. Participants must not engage in any activity that may create a conflict of interest, such as accepting gifts or favours, providing preferential treatment, or publicly endorsing suppliers or products.

2. <u>Accountability and Transparency</u>

Supply Chain Activities must be open and accountable. In particular, contracting and purchasing activities must be fair, transparent and conducted with a view to obtaining the best value for public money. All participants must ensure that public sector resources are used in a responsible, efficient and effective manner.

3. Compliance and Continuous Improvement

Individuals involved with purchasing or other Supply Chain Activities must comply with this Code of Ethics and the laws of Canada and Ontario. Individuals should continuously work to improve supply chain policies and procedures, to improve their supply chain knowledge and skill levels, and to share leading practices.
